CV Basics: Documenting Research Accomplishments

David Weaver, Ph.D.

Dr. Weaver is a Professor of Neurobiology and Director of the Interdepartmental Program in Neuroscience at UMMS.

Dr. Weaver has discussed CV preparation at the Trainee Professional Development Day of the Society for Research on Biological Rhythms (2008, 2010) and has a strong interest in the professional development of students and postdocs at UMMS.

Dr. Weaver will cover the basics of documenting professional accomplishments and address questions that everyone should know the answer to: *What is a CV/ Biosketch? Why do I need one? What should be in it?*
