Present a Professional Development Seminar

Preparing Yourself for a Career in Industry

CV tips, networking guidance, and
a discussion of transferrable skills

Lauren Celano

Founder and CEO
Propel Careers

Lauren Celano is the founder and CEO of Propel Careers, a life science search and career development firm focused on connecting talented individuals with entrepreneurial life sciences companies. Propel works with current leaders and actively cultivates future leaders through full time placement, internships, mentoring, career coaching, and networking.

In this seminar, Lauren will share CV tips, provide networking guidance, and discuss transferrable skills to help prepare YOU to seek a career in industry.

Monday, May 23, 2011
