Mad Medicine

Bringing High Science to Creative Advertising

Pamela Savage, Ph.D.

Copy Group Supervisor,
JUICE Pharma Worldwide

Dr. Pamela Savage (GSBS 2007) is a Copy Group Supervisor for JUICE Pharma Worldwide in New York City, a creative-strategic "BIGtique" advertising agency that provides highly disciplined, evidence-based solutions for professional and patient audiences in the U.S. and around the globe. Clients include Merck and Pfizer.

Come listen to Dr. Savage talk about her career path as a scientist that ultimately led to a successful career in the pharmaceutical industry.

Friday, June 10, 2011
