Password: 100962

Learning objectives:

1. Understand the clinical presentation of various forms of age-related macular degeneration and the impact on patients who develop this condition.
2. Explain the epidemiology of AMD, genetic and lifestyle risk factors contributing to AMD, and clinical approaches to diagnose and treat disease.
3. Describe cellular and molecular pathways involved in AMD and new emerging therapeutic approaches.

Presented by:

Johanna Seddon, MD

Chair and Professor of Ophthalmology
and Visual Sciences

University of Massachusetts Chan Medical School

Claudio Punzo, , PhD

Associate Professor of Ophthalmology
and Visual Sciences

University of Massachusetts Chan Medical School

Sponsored by the Departments of Neurology and Neurobiology and the NeuroNexus Institute

Accreditation Statement: The University of Massachusetts Chan Medical School is accredited by the ACCME to provide continuing medical education for physicians.

Designation Statement: The University of Massachusetts Chan Medical School designates this live activity for a maximum of 1 *AMA PRA Category 1 credit(s)*™. Physicians should claim only credit commensurate with the extent of their participation in the activity.

Statement on Faculty Disclosure: It is the policy of the University of Massachusetts Chan Medical School to ensure fair balance, independence, objectivity, and scientific rigor in all activities. All faculty participating in CME activities sponsored by the University of Massachusetts Chan Medical School are required to present evidence-based data, identify, and reference off-label product use and disclose all relevant financial relationships with those supporting the activity or others whose products or services are discussed. Faculty disclosure will be provided in the activity materials.
