

Vista Clerkship High Honors (HH) Policy

Please note the Vista standardized clerkship grading weights:

- Student Performance Evaluations – 45%
 - OSCE – 20%
 - Written Exam – 15%
 - Unique Feature – (may include assignments, oral exam, etc)
 - Longitudinal Focus Topic grade – 10%
-
- Clerkship leadership will determine the numeric threshold for HH for their clerkship final grade.
 - Clerkship leadership will determine the numeric threshold for HH for each grading component.
 - The student cannot receive HH if they fail any component.
 - The student must achieve HH on $\frac{3}{4}$ of the following grading components: Student performance Evaluation, OSCE, Written Exam and Unique feature (which may include clerkship-specific assignments and/or the oral exam). The 10% LFT grading component will not be including initially but this is subject to annual reconsideration.
