Share your qualifications (training, experience, relevant leadership roles, content expertise, etc.) approx. 500 words

In lieu of a traditional interview we are interested in a demonstration of your understanding of the mission and principles of Vista and how we can grow this program together. Using up to 3 components of the Vista mission

statement as your focus point, develop a presentation sharing how you would incorporate these themes into your leadership responsibilities. Your product should be presented in digital format via narrated PowerPoint, brief video, multimedia, written document, or other mode of expression and should take 2-4 minutes to experience/read.
