Announcement from CHE

Hello, my name is Anindita Deb and I'm an Associate Professor of Neurology at UMass Chan and **Director of the Global Health arm of the UMass Chan Collaborative in Health Equity (CHE)**. In my role as Director of Global Health, my first goal is to build a comprehensive database of global health activities occurring across our UMass institutions. In light of this, we want to start with a brief survey (https://umassmed.co1.qualtrics.com/jfe/form/SV_9oGXRev1bg7wyns) which will take you 2-3 mins to complete. We would appreciate your support by completing this survey. We are in the process of building a website where we hope to showcase your work. Thank you very much!
